

Correction to “Assessing the appropriateness of community-based antibiotic prescribing in Alberta, Canada, 2017–2020, using ICD-9-CM codes: a cross-sectional study”

CMAJ Open has been made aware of an omission that occurred in an article published July 4, 2023.¹

The following disclaimer should have been included: “This study is based in part on data provided by Alberta Health. The interpretation and conclusions contained herein are those of the researchers and do not necessarily represent the views of the Government of Alberta. Neither the government nor Alberta Health express any opinion in relation to this study.”

The article has been updated at cmajopen.ca.
